*Little luxuries  
can make the bedroom  
an extraordinary retreat*

# personal space

Ah, the bedroom sanctuary! Where we shut out the din and dirt of the day, where we find serenity and recharge. A few posh touches can elevate your space so it's fit for a queen — yes, we mean you. Resources on Page 19.

Radiance Healing Body Oil has poppy flower essence to boost confidence and inner beauty; organic sunflower and lavender oil, jasmine and neroli soothe skin and soul, at Clary Sage Organics, \$45
